SD3, LLC, an Oregon limited liability company, certifies, under 37 C.F.R. § 3.73(b), that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of an assignment from each of the inventors named in the patent application identified above and/or their successors in interest. Copies of the assignment documents have been recorded with the Office as follows:

Stephen F. Gass to SD3, LLC Reel 012155, Frame 0361
David S. D'Ascenzo to SD3, LLC Reel 012155, Frame 0365

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and certifies that to the best of the undersigned's knowledge and belief, title is in the assignee identified above.

The above-identified assignee of record, pursuant to 37 C.F.R. § 3.71 and MPEP § 106, hereby excludes all inventors and previous assignee(s), if any, from access to the above-identified patent application, and reserves its right to conduct the prosecution of the above-identified patent application to the exclusion of the named inventors and previous assignee(s).

The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of the above-identified assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
